## BOOK SYNOPSIS

Rookie Mistake is the first sexy installment in Bestselling Author Alice Wards brand new sports romance series, The Beasts of Baseball. I thought I'd achieved everything I ever wanted. Then I lost her... Standing on the pitcher's mound for a professional baseball team has been my dream since I was a small boy. Now I'm here, pitching for the newest team in the league -- the New York Beasts -- with the woman I've loved since high school by my side. Calvin and Whitney forever! Wow, we made it. But there's a downside to instant fame and fortune, a trap that unleashes self-control and morals. A gilded cage that separates us from the real world. This is the big city, the major leagues -- the big time. And temptation is around every corner. People change. We changed. Neither for the better. I don't even recognize us anymore. Calvin and Whitney forever? I used to think so, but the beasts that had been hibernating in both of us have taken control, and now I'm not so sure. The dream has become a nightmare. Can we wake and find our way back to each other? NOTE: Although this is the first book in the series, it has an emotionally charged HEA you won't soon forget, and No Cliffhanger.
