## BOOK SYNOPSIS

From “Grand Hotel” to “Whatever Happened to Baby Jane?,” Joan Crawford played some of the finest parts Hollywood had to offer, establishing a reputation as the most spectacular diva on the silver screen. Even when the cameras quit rolling, her life never stopped being over-the-top. In *My Way of Life*, a cult classic since it was first published in the early 1970’s, Crawford shares her secrets. Part memoir, part self-help book, part guide to being fabulous, *My Way of Life* advises the reader on everything from throwing a small dinner party for eighteen to getting the most out of a marriage. Featuring tips on fashion, makeup, etiquette and everything in between, it is an irresistible look at a bygone era, when movie stars were pure class, and Crawford was at the top of the heap.
