BOOK SYNOPSIS

In the first of a Montgomery Ink spin-off series from NYT Bestselling Author Carrie Ann Ryan, a broken man uncovers the truth of what it means to take a second chance with the most unexpected woman... Graham Gallagher has seen it all. And when tragedy struck, lost it all. He's been the backbone of his brothers, the one they all rely on in their lives and business. And when it comes to falling in love and creating a life, he knows what it's like to have it all and watch it crumble. He's done with looking for another person to warm his bed, but apparently he didn't learn his lesson because the new piercer at Montgomery Ink tempts him like no other. Blake Brennen may have been born a trust fund baby, but she's created a whole new life for herself in the world of ink, piercings, and freedom. Only the ties she'd thought she'd cut long ago aren't as severed as she'd believed. When she finds Graham constantly in her path, she knows from first glance that he's the wrong kind of guy for her. Except that Blake excels at making the wrong choice and Graham might be the ultimate temptation for the bad girl she'd thought long buried.
