BOOK SYNOPSIS

Disaster strikesThe Behemoth, en route home after a successful mission liberating a mining facility from pirates, finds itself drifting in an uncharted sector of space. As the crew comes to, made ill by this jump drive malfunction, they spring into action to restore the ship to operational status so they can get home.However, they quickly find they are not alone. Surrounded by a native fleet of warships, they are viewed with suspicion as an alien force infringing on another cultures space. They attempt to communicate but find themselves moving toward a conflict they do not want. The Behemoth may find themselves stuck in the far reaches of space with no hope of getting home.
